HAPPINESSCHARGE PRECURE!

Hmm?
You want to apologize, but need to know how to express it in a way other than words?
I do want to apologize and make up with her, but I'm afraid to say it!
Oh? You're that frightened of her?
LOOK OF DISDAIN
TREMBLE
Ah!
I know what you can try.

Seriously? We can do this to make up?
Of course.
But this is only something lewd, right?
Hime-chan, you must not know about a type of monkey called the bonobo.
Bonobo?
Yes, after a fight...
they do sexual things to each other in order to mend their relation-ships.

Really?
Yep, really.
You must be starting to feel good, Hime-chan.
Wahhh! This is embar-rassing!
You have small breasts, Hime-chan.
Uuuhh...
They're very cute.

Have you ever done this on your own before?
Th-There's no way I would do that!
Nnn... That's not... entirely true...

Ehhh!?
Can I put my fingers in, then?
I can't?
Squeeze

Ahhh!
Jeeezz!!

Hiiiiii~~~
meeee~~~~
Ever since Yuuyuu did all that strange stuff to me,
it's been feeling all tingly down there.
What did you barge in here for, Megumi!?
Oh, sorry, I didn't know you just got out of the bath.

Hime, you truly are short and adorable, and your legs are slender.
You bet I am!

DEPRESSED
Th-That's not what I meant by it!
Ah, sorry. You didn't want to?
You can't!
What should I do...? I didn't mean to react that way, but Megumi's all sad now...
I can use what Yuuyuu taught me and...

H-
Hime!?

Chu——
That means it'll definitely work on-
It felt great, and I made up with Megumi!
It worked out just as Yuuyuu said it would!

THE NEXT DAY
I-Iona!
?
GRAB
LOOK OF COMPLETE AND UTTER DISDAIN
Why!? She hates me even more now!
Well, you do need to do that with the right person.

Afterword

Hello, Tima here.
Happiness Charge Precure has
been dangerously amusing lately.
Hime in particular is so cute and lovely.
Ahhh, Hime... *pant* *pant*.
I want to keep her as a pet.
Their character designs and
personalities all hit home for me.
I enjoy each and every episode very much.

And so Iona was unable to
accept Hime's affection.
I hope you enjoyed it.

And Nomad-san,
thank you for always... ♥
